ABOUT A.G. RHODES

A.G. Rhodes Health & Rehab is Atlanta's premier provider of therapy and rehabilitation services, short-term recovery and long-term care, operating three distinctive homes in metro Atlanta. As one of Atlanta's oldest nonprofits, A.G. Rhodes has set the standard for serving an aging community since 1904.

NONPROFIT

A.G. Rhodes is a nonprofit, mission-driven organization and we are guided by what is best for our patients and residents. Their physical, social and psychological well-being is our chief concern. Our mission is to provide expert and compassionate rehabilitation therapy and residential care to seniors in metro Atlanta.

FAMILY AND COMMUNITY-ORIENTED

The first of the organization's three locations was constructed in 1904 thanks to the generous donation of land and funds from a prominent Atlanta businessman and community leader, Amos Giles Rhodes. Today, the fifth generation of the A.G. Rhodes family serves on our Boards of Trustees and Advisors. Throughout the years, the organization has adapted extremely well to the times while remaining true to its roots as a family-oriented operation that serves the larger community. We treat residents, their families and each other as part of our own family. This personal touch guides us in every aspect of the care that we provide.

INNOVATIVE

A.G. Rhodes is a leader in the fields of health care and aging, keeping up with state-of-the-art research and practice, and pioneering new approaches that enable our patients and residents to live life at their highest level of functioning for as long as possible. Advances in medicine, science and technology help us rethink what it means to grow older, and we continuously adapt to meet the needs of an aging population.

COMMITTED TO EXCELLENCE

We always look for ways to improve our standard of care, and our unflagging commitment extends beyond providing quality health care. Our leadership and staff are equally committed to providing an excellent quality of life for the seniors who stay with us.

VOLUNTEERS AND DONORS

Our volunteers and financial donors are instrumental in helping us provide high quality health care to the residents we serve. For more information about donating or volunteering, visit www.agrhodes.org or call 404-636-3512.

"The rehab rooms are filled with many modern machines to help the patients regain strength and mobility."
