COMMUNITY · WELLNESS · CARE

..... COBB .....

900 Wylie Rd. SE · Marietta, GA 30067  
770-427-8727 · InfoCobb@agrhodes.org

## 5-Star Community!

Rated five stars overall from the Centers for Medicare & Medicaid Services (CMS), which is the highest rating a community can earn.

## Top Workplace

Ranked by The Atlanta Journal-Constitution as one of Atlanta's top places to work, and has been for several consecutive years. Exceptional employee satisfaction contributes to high quality care. A.G. Rhodes also received special recognition in training in 2019.

## Best of Cobb

Voted Cobb Life Magazine's best nursing home in Cobb County.

## Eden Alternative Registry

Became the first stand-alone nursing home in the state to be accepted into the Eden Alternative Registry, which consists of 250 national and international long-term care communities committed to improving the quality of life and care for the people they serve.

## Rhodes to Home

Last fiscal year, the Rhodes to Home program helped more than 170 elders successfully transition from living at A.G. Rhodes to living back in their communities independently or with some assistance.

## High Quality Care, an Exceptional Quality of Life

A.G. Rhodes is proud to have an outstanding reputation as a trusted leader in nursing home care. Below are some of the most important quality factors considered when evaluating a skilled nursing or rehabilitation facility. These figures are compared to the average statistics for more than 350 nursing homes located in Georgia, and more than 15,600 nationwide.

Percentage of residents who: <i>(In most cases, lower % is better)</i>	Average % at <b>A.G. Rhodes</b>	Average % in Georgia	Average % Nationwide
Experienced one or more falls w/major injury	<b>1.8</b>	3.1	3.4
High-risk residents with pressure ulcers	<b>8.9</b>	9.1	7.3
With urinary tract infection	<b>0.5</b>	3.4	2.8
With a catheter inserted and left in their bladder	<b>3.9</b>	2.0	2.0
Were physically restrained	<b>0.0</b>	0.2	0.3
Need for help with daily activities has increased	<b>12.8</b>	16.2	14.6
Received antipsychotic medication	<b>15.2</b>	18.1	14.5
Ability to move independently worsened	<b>15.6</b>	18.9	17.7
*Improved in ability to move around on their own <i>(higher % is better)</i>	<b>58.9</b>	63.8	67.4
*With new or worsened pressure ulcers	<b>0.0</b>	1.7	1.6
*Newly received an antipsychotic medication	<b>5.4</b>	2.8	1.8

\*Short-stay quality measures (all others are long-stay).

Updated January 2020

- Approximately a 90% occupancy rate.
- A.G. Rhodes is one of only a few mission-driven nonprofit nursing organizations in the state.
- Interdisciplinary care teams include staff and specialty physicians, registered and licensed nurses, certified nursing assistants, activities specialists, social workers, dietitians, licensed occupational and physical therapists, speech language pathologists, a registered horticultural therapist and a certified music therapist.
- We offer unique, innovative and nationally recognized programs such as Horticultural Therapy and Music Therapy.
- Our beautiful gardens and greenhouse offer therapeutic and relaxing environments for elders and their guests.
- We customize an impressive variety of daily activities and outings to meet various interests, and we incorporate technology into our programming.
- With high staff-to-patient ratios, staff and therapists tailor programs to meet the individual needs of elders, whether they stay for a short time or longer.

## Quick Facts

- 130-bed community
- Served nearly 360 elders last fiscal year
- Approximately 140 employees

The mission of A.G. Rhodes is to provide expert and compassionate rehabilitation therapy and residential care to seniors in metro Atlanta.
