

# A.G. Rhodes Leadership Training Program

The purpose of the A.G. Rhodes Leadership Training Program is to promote equity and inclusion at A.G. Rhodes by providing mentorships and advancement opportunities for Care Partners, specifically frontline staff. The program will promote professional development within the organization and prepare participants for management roles in the health care field.

Eligible applicants may apply for one of two tracks.

- Learn about leadership in business operations
- Letter of Recommendation required from Administrator
- Shadow opportunities with C-suite executives and business operations staff

- Learn about leadership in clinical services
- Letter of Recommendation required from Director of Nursing
- Shadow opportunities with clinical and nurse leadership

## Requirements & Details

### To apply, you must:

- Be a full-time employee of at least 90 days and in good standing.
- Commit to the entirety of the program, which is 10 months. This includes shadowing executive and management employees, as well as management and leadership curriculum coursework.
- Submit a 500+ word essay with your application, as well as a letter of recommendation from your Administrator (for Business Management track) or Director of Nursing (for Clinical Management track).
