

MISSION: A.G. Rhodes provides expert and compassionate rehabilitation therapy and residential care to seniors in metro Atlanta.

THE NONPROFIT DIFFERENCE

A.G. Rhodes is one of Atlanta's oldest nonprofit organizations and has set the standard for serving an aging community since 1904.

As one of only a few mission-driven, nonprofit nursing home providers in Georgia, our nonprofit status is a fundamental difference in our approach to care. We're able to direct more resources into the care we provide, including our state-of-the-art therapy and rehabilitation services, our innovative programming, and our diverse activities and events.

Our legacy and reputation, culture of compassion, and mission-driven approach allow us to recruit and retain exceptional employees, resulting in lower staff turnover, and higher staff and resident satisfaction.

VOLUNTEERS & COMMUNITY ENGAGEMENT

Whether it's visiting one-on-one with residents, participating in activities, or supporting our elders virtually, volunteers are integral to the happiness and well-being of our residents.

We have volunteer opportunities at all three of our homes during the week and on weekends, can accommodate volunteers of all ages, and welcome individual or group volunteers. Because of the at-risk population we serve, and the ongoing risks posed by COVID-19, there are strict requirements for volunteering at A.G. Rhodes.

CARING THROUGH COVID-19

We remain committed to providing safe and compassionate care for our community's older adults. Read our latest updates and access COVID-19 resources at www.agrhodes.org/coronavirus.

Our flagship location near Grant Park opened in 1904 thanks to the generous donation of land and funds from Amos Giles Rhodes, a prominent Atlanta businessman, community leader, and founder of Rhodes Furniture. The family of A.G. Rhodes has never wavered from its commitment to the organization and today, family members still serve on our Boards of Trustees and Advisors.
