All Private Rooms!

Our newly transformed Cobb Community—which includes a new skilled nursing and memory care building along with renovations to the existing building—is now open! Among other improvements, both buildings afford all residents private rooms.

One of Atlanta's Oldest Nonprofits

As one of Atlanta's oldest nonprofit organizations, A.G. Rhodes continues to be one of the only mission-driven non-profit nursing home providers serving our city's underinsured and underserved seniors.

Best of Cobb

Named best nursing home in Cobb county by Cobb Life Magazine.

National Quality Accreditation

A.G. Rhodes has earned The Joint Commission's Gold Seal of Approval® Accreditation which is attained after a rigorous process to demonstrate that a health care provider complies with the highest national standards for safety and quality of care.

Best of Georgia

A.G. Rhodes was voted Best of Georgia by the Georgia Business Journal for Transitional Care & Rehabilitation Facilities.

Honor Roll

Recognized for our commitment to optimize the treatment of infections while reducing the adverse events associated with antibiotic use.

Eden Alternative Registry

A.G. Rhodes was accepted into the Eden Alternative Registry, which consists of national and international long-term care communities committed to improving the quality of life and care for those they serve.

High Quality Care, an Exceptional Quality of Life

A.G. Rhodes is proud to have an outstanding reputation as a trusted leader in nursing home care. Below are some of the most important quality factors considered when evaluating a skilled nursing or rehabilitation facility. These figures are compared to the average statistics for more than 350 nursing homes located in Georgia, and nearly 15,000 nationwide.

Percentage of residents who: (In most cases, lower % is better)	Average % at A.G. Rhodes	Average % in Georgia	Average % Nationwide
Experienced one or more falls w/major injury	5.0	3.2	3.3
Residents with pressure ulcers	8.1	6.6	5.5
With urinary tract infection	1.7	2.6	1.9
With a catheter inserted and left in their bladder	0.5	1.5	1.3
Need for help with daily activities has increased	20.9	18.2	17.0
Received antipsychotic medication	14.8	18.9	14.6
Ability to walk independently worsened	25.9	22.8	21.5
*At or above an expected ability to care for themselves and move around at discharge (higher % is better)	45.5	48.0	52.4
*With new or worsened pressure ulcers/pressure injuries	2.5	3.2	2.5
*Newly received an antipsychotic medication	2.2	2.3	1.6

*Short-stay quality measures (all others are long-stay).

Updated April 2025

- Interdisciplinary care teams include staff and specialty physicians, registered and licensed nurses, certified nursing assistants, activities specialists, social workers, dietitians, licensed occupational and physical therapists, speech language pathologists, a registered horticultural therapist and a licensed/certified music therapist.
- We offer unique, innovative, and nationally-recognized programs such as Horticultural Therapy and Music Therapy.
- Our beautiful gardens and greenhouse offer therapeutic and relaxing environments.
- Our newly-remodeled state-of-the art therapy gym includes advanced technology and equipment.
- We take a holistic approach when caring for residents' physical, social and mental health needs.
- With high staff-to-patient ratios, staff and therapists tailor programs to meet the individual needs of elders, whether they stay for a short time or longer.

Quick Facts

- 130-bed community with all private rooms
- 100% Medicare and Medicaid certified
- Approximately 150 employees
- Formal affiliation with Wellstar Health System

The mission of A.G. Rhodes is to provide expert and compassionate rehabilitation therapy and residential care to seniors in metro Atlanta.
