

Therapy & Rehabilitation

ABOUT THERAPY & REHABILITATION AT A.G. RHODES

A.G. Rhodes offers inpatient and outpatient therapy and rehabilitation programs and services available for patients at various levels, whether they are recovering from surgery, from an injury, or they are working to improve their strength.

Our state-of-the-art therapy and rehabilitation gyms include advanced technology and equipment to better serve our patients. We also use senior-friendly computer software applications, and adaptive devices for individuals with physical and cognitive impairments. We even incorporate gaming systems which offer fun and effective rehabilitation options.

We employ licensed therapists in-house who tailor programs to meet the needs of individual patients. Additionally, we are one of the only nursing organizations of our kind to offer horticultural therapy and music therapy. Our services reflect a commitment to offer the most distinctive and innovative programming available in both short-term rehabilitation and long-term care.

OUR IN-HOUSE TEAM OFFERS INPATIENT & OUTPATIENT PROGRAMS & SERVICES, INCLUDING:
