5 Stars in Quality Measures

And 4 stars in overall quality, rated by the Centers for Medicare & Medicaid Services (CMS).

One of Atlanta's Oldest Nonprofits

As one of Atlanta's oldest nonprofit organizations, A.G. Rhodes continues to be one of the only mission-driven non-profit nursing home providers serving our city's underinsured and underserved seniors.

Best Nursing Home

A.G. Rhodes Atlanta is named the **#1 nursing home in Georgia** on Newsweek's 2026 America's Best Nursing Homes list for homes with 100-149 beds.

National Quality Accreditation

A.G. Rhodes has earned The Joint Commission's Gold Seal of Approval® Accreditation which is attained after a rigorous process to demonstrate that a health care provider complies with the highest national standards for safety and quality of care.

Best of Georgia

A.G. Rhodes was voted Best of Georgia by the Georgia Business Journal for Transitional Care & Rehabilitation Facilities.

Honor Roll

Recognized for our commitment to optimize the treatment of infections while reducing the adverse events associated with antibiotic use.

Eden Alternative Member

A.G. Rhodes is an Eden Alternative member, reflecting our committment to improving the quality of life and care for those we serve.

High Quality Care, an Exceptional Quality of Life

A.G. Rhodes is proud to have an outstanding reputation as a trusted leader in nursing home care. Below are some of the most important quality factors considered when evaluating a skilled nursing or rehabilitation facility. These figures are compared to the average statistics for more than 350 nursing homes located in Georgia, and more than 15,000 nationwide.

Percentage of residents who: *(In most cases, lower % is better)*	Average % at A.G. Rhodes	Average % in Georgia	Average % Nationwide
Experienced one or more falls w/major injury	1.8	3.2	3.2
Residents with pressure ulcers	4.1	5.4	4.5
With urinary tract infection	2.3	2.4	1.5
With a catheter inserted and left in their bladder	0.3	0.8	0.7
Need for help with daily activities has increased	9.4	14.9	13.5
Received antipsychotic medication	2.8	19.8	15.5
Ability to walk independently worsened	7.3	13.7	12.9
*At or above an expected ability to care for themselves and move around at discharge *(higher % is beter)*	45.5	48.2	56.2
*With new or worsened pressure ulcers/pressure injuries	1.9	3.0	2.3
*Newly received an antipsychotic medication	1.3	2.4	1.5

**Short-stay quality measures (all others are long-stay).*

Updated October 2026

- Interdisciplinary care teams include staff and specialty physicians, registered and licensed nurses, certified nursing assistants, activities specialists, social workers, dietitians, licensed occupational and physical therapists, speech language pathologists, a registered horticultural therapist and a licensed/certified music therapist.
- We offer unique, innovative, and nationally-recognized programs such as Horticultural Therapy and Music Therapy.
- Our beautiful gardens and greenhouse offer therapeutic and relaxing environments.
- Through a partnership with DaVita Kidney Care, we have an onsite dialysis clinic.
- Our Rhodes to Home program helps individuals successfully transition from living at A.G. Rhodes to living back in their communities independently or with some assistance.
- We take a holistic approach when caring for residents' physical, social and mental health needs.
- With high staff-to-patient ratios, staff and therapists tailor programs to meet the individual needs of elders, whether they stay for a short time or longer.

Quick Facts

- 136-bed community
- 100% Medicare and Medicaid certified
- Approximately 200 employees
- Onsite dialysis clinic

The mission of A.G. Rhodes is to provide expert and compassionate care to seniors in metro Atlanta.

"My mother was admitted to A.G. Rhodes after recovering from respiratory problems and issues with walking. The staff was very helpful in getting her comfortable and setting up her schedule for dialysis and physical therapy. As time went on, she improved and the staff assisted her with whatever she needed. Mom is doing better and continues on the road of recovery."
